

Our values

PEOPLE

Safety, team spirit, collaboration, ethics and continuous learning:
at the core of our company's success is our people

EXCELLENCE

Professionalism, quality and profit:
our reputation depends on our mastery in delivering projects

ENTREPRENEURSHIP

Innovation, courage, transparency and trust:
we encourage our teams to take initiative and help us maintain a leading position in the market

CLIENT CARE

Repeat business, project performance and provide solutions:
we establish and foster a collaborative, healthy and long-term relationship with our clients

ENVIRONMENT

Care and respect for the environment:
as a responsible company, **we strive to minimise our direct impact on the environment. We also promote our sustainable technologies to our clients, extending the lifetime of their assets**

Aydin ALPMAN
GENERAL MANAGER
