

FREYSAS MISSION VISION STATEMENT AS **MISSION – VISION** STATEMENT ON STATEMENT FREYSAS MIS ON VISION STATEMENT FREY

OUR VISION

As Freysaş, our vision is to be a preferred reference business partner that adds value to the structures with our high quality and safety culture, sustainable technology performance in construction, maintenance and repair of structures in the sector in which we operate.

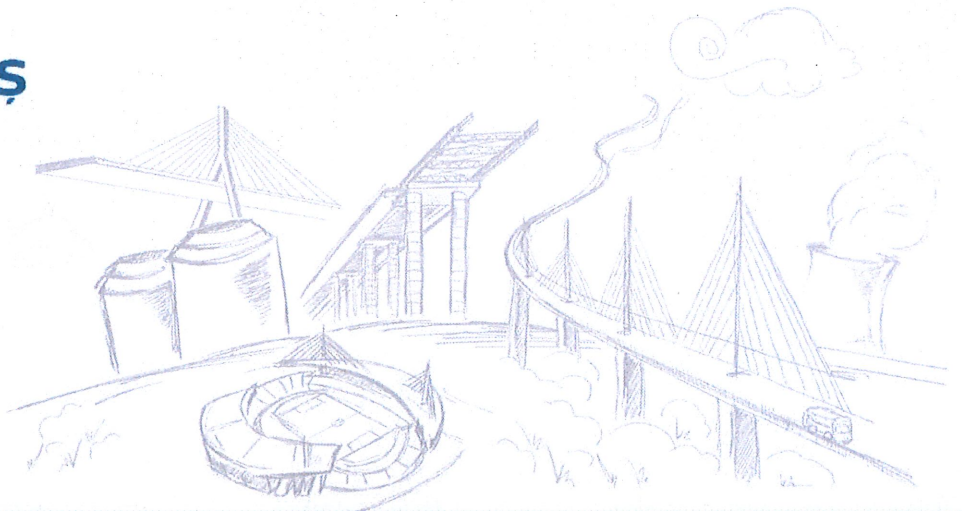

OUR MISSION

Our mission is to add value to our stakeholders and the construction sector with our high quality and safety culture, innovation, low cost, aesthetic and robust solutions, and sustainable technologies.

“We work for the happiness of all our stakeholders with our competitive and sustainable technologies...”
